Happy Moscow Andrei Platonov

“Life has become better, comrades, life has become merrier” – Joseph Stalin Happy Moscow was an unfinished novel by Andrei Platonov, finally published in 1991 and yet it still became one of his greatest works. It is believed that Platonov started the novel in about 1932 but abandoned it a few years later.

Happy Moscow by Andrei Platonov - Goodreads

Happy Moscow shows Platonov as a master of language, weaving out of official names, political

speeches, ideological exhortations and popular philosophical hopes a reality equal to the gut feel of Soviet life in the 1930s....Happy Moscow remains an extraordinary read, because politics doesn't get in the way. This is just what it felt like to be swept away by the Soviet ideal of a new humanity."

This is an easy book to recommend and a hard book to review. Happy Moscow is a relatively late and unfinished novel by Andrey Platonov, now considered one of the masters of twentieth-century Russian prose. This edition is a revised version of an earlier translation by Robert Chandler and his associates, now with introduction, annotations, and a number of other related works (the beautiful essay "On the First Socialist Tragedy" alone is almost worth the price of the book, warning about the ...

Summary. Andrei Platonov's novel Happy Moscow (Schastlivaia Moskva) was long in the writing: from 1932 his notebooks were to be filled with fitful ideas of plot and characterisation for a work that was to obsess him for several more years, and in 1933, he finished the first six chapters. What we now know as Happy Moscow may, in fact, have been intended as part of a longer work, Journey from Leningrad to Moscow in 1937 (Puteshestvie iz Leningrada v Moskvu v 1937 godu), yet despite ...

Moscow in the 1930s is the consummate symbol of the Soviet paradise, a fairy-tale capital where, in Stalin's words, "life has become better, life has become merrier". In *Happy Moscow* Platonov exposes the gulf between this premature triumphalism and the harsh reality of low living standards and even lower expectations. For in Stalin's ideal city there is no longer a place for those who do not fit the bright, shining image of the new men and women of the future.
