With a unique combination of science and intimate experience, *Mother in the Middle* is a story of mothers and daughters, science and creativity, and life's exquisite intertwining of love and loss. About The Author

Mother in the Middle | Book by Sybil Lockhart | Official ...

After reading *Mother in the Middle* and all the studies and facts they presented, I felt like a experienced mother had taken me under her wing and shared truth -- clearing up all the other arguments. I realized how much a working mom has to overcome from trying to actually make money, to the underdevelopment of children placed in day-care.
