The Ascent Of Humanity Charles

The Ascent of Humanity. The Ascent of Humanity is about the history and future of civilization from a unique perspective: the evolution of the human sense of self. This book describes how all the expressions of our civilization—its miraculous technology as well as the pillage of earth, culture, goodness, and beauty—arise from our identity, our way of being, “the discrete and separate self”.

The Ascent of Humanity: Civilization and the Human Sense ...

The Ascent of Humanity by Charles Eisenstein is a bold and passionate attempt to explain and remedy the pathology of modern life, where technology and culture have enabled us to rise above our animal origins, but in doing so we have created a human realm of alienation from nature and from our true selves.

The Ascent of Humanity by Charles Eisenstein

Charles Eisenstein is extremely intelligent, empathic and humble and manages to look at life from a holistic perspective that is rarely encountered. Reading it has restored my faith into humanity (and life in general) and for this I remain forever grateful. I've since bought all Eisenstein's books and cannot speak highly enough of them.

The Ascent of Humanity (Full Audiobook) by Charles ...

The Ascent of Humanity illuminates this dense shadow via an incredibly rich retelling of human history through the lens of Separation VS Connectedness. Eisenstein shows how humanity's relatively new 'Story of Separation'—the ideology that says we're all separate, discrete beings—caused us to design a civilization that alienates us from ourselves, each other, and the planet.
