An autobiography is a self-written life story. It is different from a biography, which is the life story of a person written by someone else. Some people may have their life story written by another person because they don't believe they can write well, but they are still considered an author because they

Answer Is...:**

Reflections ...

First, an autobiography is a great way to look at your life from the other side. Look back on the moments that became a turning point in your life. Think of situations that forced you to change your mind, interests, and other details that make your life. Remember the events or people that make you happy.
